ACTION LOCATION

Swayam City with the adjoining Olympiad Club, is one of the largest integrated townships south of Behala. Built around a full-sized cricket and football field, the modern campus is located close to the Joka Metro Station from where a regular shuttle bus service will take you straight to the Olympiad for anytime fun and games.

SPORTING ACRES

The vast outdoor arena is the highlight of the Olympiad's sporty profile. Among its many features is the full size football and cricket field for the young at heart and the younger generation. Watch your children grow into champions!

SERVE AND VOLLEY

The well-maintained tennis courts are perfect for budding Federers and Sharapovas, mature adults addicted to the world's favourite racquet sport, and, of course, young people who want to play love games everyday.

FITNESS TRACKS

Jog or cycle your way to fitness on the tracks that wind their way across the campus with manicured grass, shady trees and colourful flowers for company. For romantic couples, a moonlit stroll is another inviting prospect.

SPLASH DIVES

Delight through the long warm months in the full-sized outdoor swimming pool. There is also an all-season indoor pool for dedicated mermaids, mermen and water babies.

GLASS COURTS

With squash courts, the Olympiad has one of the finest facilities for strenuous wall-to-wall wars. And if there is no one to blast the ball with, you can always work out on your own. Go ahead and get aggressive.

SHUTTLE BATTLES

Badminton is good fun and the indoor court ensures you can play it all year round. Other indoor games include table-tennis, basketball, carrom, foosball, cards and chess. The auditorium and library are other attractions. Rainy days are no more a bore!

ALLEY-CAT WARS

Come with the gang and knock the pins over at the bowling alley. Even if you have never bowled before it is never too late to start. Discover a wonderful way to spend an hour, or two, three, four...

TABLE-TOP TIMES

The pool room is a great place to meet up and make friends while knocking the cue ball around. There is also an adda lounge for seniors and those who prefer to lean back from the table when exercising their elbows.

GYM AND TRIM

For staying in shape and winning all matches, the Olympiad's gym is guaranteed to cut fat and add muscles at the right places. A gentler option is the Yoga Room where you can learn how to strike the right poses.

PALATE PLEASURES

For some people a club is only as good as its grub. The Olympiad promises to exceed your expectations with its multi-cuisine menu and fine dining ambience. Invite your acquaintances for a meal and they will become your friends for life!

Ahh...
this is the life!
